

+ Capitol Communicators!

Our community based, monthly, Augmentative Communication Group provides a peer interaction opportunity for parents and children who primarily use AAC “talkers”.

Group Details:

- Parent/child music, movement, & communication activities
- Preschool through early elementary age students.
- Groups will meet for one hour per month on a series of Saturdays.

Group Goals:

- Promote robust & authentic communication using AAC.
- Showcase AAC usage & provide structured contexts to interact in a natural, community setting.
- Provide opportunities to network, share, support & troubleshoot.

+ 2018 SERIES:

- June 9
- July 14
- August 18
- Sept 15
- Oct 20
- Nov 10
- Dec 8

SPACE LIMITED! REGISTER NOW!

WHO?

- Group facilitated by a Speech Language Pathologist
- Preschoolers through age 9 who use any kind of AAC for communication.
- Parent/Child Group - Parent participation to support child's participation, focus, sensory needs, to learn techniques, and to model language.
